How the design is to be achieved

Haircut

The haircut must be **REPLICATED** from the selected reference image.

Colour

The colour must be **INSPIRED** by the conceptual moodboard and it needs to complement the selected haircut.

Styling

The hair must be styled to REPLICATE the selected reference design.

Design requirements in the finished style

The finished hairstyle must demonstrate a clear three-dimensional **SHAPE**.

The colour must be harmoniously integrated within the haircut, using the conceptual moodboard.

Moodboard interpretation
